

Build your future  
with CIOB  
Apprenticeships  
in England

Develop skills.  
Gain recognition.  
Advance your career.

**CIOB**  
Academy

**The construction sector is changing fast. With growing skills gaps and increasing demand for proven competence, high-quality apprenticeships matter more than ever.**

As an APAR-approved training provider, CIOB Academy delivers apprenticeship programmes that equip learners with the confidence, capability and real-world skills employers need. Our tailored pathways help aspiring professionals build essential knowledge, practical experience and leadership behaviours across the built environment.

## **Apprenticeship standards**

### **Level 6**

- BSc integrated degree in Design, Construction and Management
- Construction Site Management (with CIOB Diploma)
- Construction Quantity Surveyor (with CIOB Diploma)

### **Level 4**

- Construction Site Supervisor
- Construction Quantity Surveying Technician
- Construction Design and Build Technician

### **Level 3**

- Construction Support Technician

## **End-point assessment**

We support apprentices right through to the finish line with structured preparation, including mock assessments, to help learners succeed with confidence.

## **Your route to professionalism**

Every apprentice receives free CIOB student membership, with access to resources, insights and networking opportunities, plus eligibility for CIOB membership upon completion.
